

4th OPEN CALL

ProBleu

PROBLEU CALL TO FUND SCHOOL PROJECTS PROMOTING OCEAN AND WATER LITERACY

DEADLINE:
MAY 23RD (17:00 CET)

WHO CAN PARTICIPATE?

Primary and secondary level schools (including vocational schools) up to [ISCED level 3](#) of the EU-27 Member States and the countries associated with Horizon Europe.

Students and teachers develop and submit projects, involving or not other interested parties and actors, but the ProBleu grants will only be awarded to schools as legal entities.

WHAT IS PROBLEU?

The ProBleu funding scheme will support primary and secondary schools to work with children, youth, and the wider school community in the education of the sustainability and protection of marine and freshwater ecosystems.

ProBleu invites schools to propose projects that:

- Engage students, youth, teachers, school leaders and the wider school community in pursuing ocean and water literacy and sustainability.
- Develop and implement ideas that contribute to achieving the objectives of the [Mission "Restore our ocean and waters by 2030"](#).
- Support school applications to become a member (or renew the membership) of the [Network of European Blue Schools \(NEBS\)](#), contributing to the work of the EU4Ocean Coalition.

The [ProBleu](#) project is dedicated to improving ocean and water literacy in school communities across Europe and 18 countries associated with the Horizon Europe Programme. Schools can apply for grants of up to EUR 7 500 for projects lasting up to 7 months.

The central theme of ProBleu is restoring our ocean and waters, by promoting education among children and youth. ProBleu is funded by the European Union within the Horizon Europe Programme.
